

Source of information: International Commission on Missing Persons (ICMP)

Mass grave Bašajkovac - Zastinje

Located northeast of the town of Livno, the microlocation of the mass grave is the Zastinje Pit.

During the period from 3 to 4 September 1999, 13 bodies were exhumed.

DNA statistics

Report category	Value
Total number of DNA reports	23
Number of DNA reports for different individuals	5
Number of reassociation DNA reports	18

Please note

Over the years, the exhumation process of victims in Bosnia and Herzegovina has involved various domestic institutions and international organizations, including the former Entity-level commissions for missing persons, the ICTY, OHR, PHR, and ICMP. The information presented here is compiled from ICMP's technical assistance in the field and in mortuary settings, combined with data available from other sources. For some excavations, ICMP was not in a position to obtain information.
